Share My Smile LIVING OUR MISSION

"Share My Smile is a great organization that helps build and support a social network of foster/adoptive/guardianship and kinship families. My family really appreciates the help with Christmas and Birthday gifts from their Giving Tree and Operation Birthday programs. We also get so much value from participating in Share My Smile family activities throughout the year (pumpkin patch, picnics, trampoline park). These activities are so much fun and provide support for me as I get to connect with other parents who have similar situations (raising children born to other people.)"

– Jill Stone, SMS Member

Project Birthday Joy

Project Birthday Joy provides a birthday box in the mail for foster children on their special day. It includes everything needed for a pop-up birthday party.

Care For You Action

Equips a foster child with a brand-new backpack filled with toiletries, school supplies, and comforting items when entering a new home. This program gives much needed supplies to children abruptly removed from their homes.

Family Strengthening Events

Our family events provide opportunities for families and kids to network with one another, relax, and have fun. Events include beach and zoo outings, picnics in parks, cultural and sports events, and more. Events are also held in different counties to accommodate families outside of the Omaha/CB area.
